

Chuck Berger
Managing Director

“Coaching executives and other end-users in the strategic and effective use of information technology provides an immeasurable satisfaction knowing that this service provides leaders with less frustration, better resource utilization, efficient operations, cost savings, and increased profits.”

As Managing Director, **Chuck Berger** plans, manages, and oversees all day-to-day business operations of the firm. He also markets a full range of sales, outplacement, leadership development, and diversity, equity, and inclusion services to clients, and has delivered these to executives, middle managers, and group level participants. Chuck’s background includes extensive experience and a successful proven track record in Information Technology, procurement, process improvement and strategic solution implementation. He has administered, supported, or implemented numerous system hardware and software products in business and personal environments, and has strategically managed company and individual budgets to meet high performance requirements. He supports all areas of information technology operations including strategic activity requests of C-Level Executives. Throughout his career, he has effectively used his expertise to provide consultative solutions to a wide variety of clients including personal end-users, small businesses, and multi-national enterprises in several different industries. In the food importing and distribution industry, he led the customer service department and implemented and administered ERP system as an Information Technology Manager at Blue Grass Farms Inc. and Walker Foods Inc. As an Information Technology Specialist in the manufacturing industry, he provided subject matter expertise in hardware, software, ERP, and networking for Nitta Casings Inc. with locations in the USA and Canada. In the insurance industry as a Data Analyst, he reconciled large account third party administration payment data for Chubb Commercial Insurance.

Chuck also has coached and administrated AAU & travel basketball.

Chuck holds a Bachelor of Science degree in Management from Rutgers University.
